

Website Development Proposal for AFRIONE

This proposal is to build a Website for Afrione.

BRIEF:

Afrione is mobile phone company, we just recently launched our appliances product and we want to build a website from scratch to house all appliances.

Website Pages:

- Home
- About
- Products
 - o Product Categories
- Blog
- Contact

Features of the Website:

- Search Engine Optimization
- Social Media Integration (hyperlinks)
- Modern Design
- Mobile Responsive
- User Friendly
- Interactive and Dynamic

Delivery Timelines:

The Website project will take 3 weeks to complete after receiving all necessary content, materials and upfront payment.

43, Adedoyin Street, Ogba-Aguda, Lagos
www.kayshowconcept.com
+234 803 510 6014
info@kayshowconcept.com
